FAST FACTS

ESTABLISHED IN 1968.

IN HOUSE CASTING FACILITY

Casting is seasoned for at least 6 to 8 months

Biggest Manufacturer of Slotting Machine in India.

450 Plus Production/ Machines Sold per Year.

Area Covered :- More than 2200 Sq. Feet

Online Store for All Kinds of Industrial Products.

Sale in More Than 28 Countries

Product Customization as per Demand

Manufacturing as per CE Standards

About Daljit Group of Companies :-

- Daljit Machine Tools Pvt Ltd
- Daljit Casting
- Daljit Exports
- Machinedock by Daljit Group

Daljit Machine Tools Pvt Ltd –

Established in 1968, which is Biggest Manufacturer of Slotting Machines in India. With the capacity of 25-30 Slotting Machines per month which we are exporting in more than 28 countries. We are located in the Industrial hub of Punjab - Ludhiana. (INDIA) All the machines are manufactured and tested as per CE and IS Standards.

Daljit Casting –

Daljit Casting is providing highly graded CI CASTING to our manufacturing units with the capacity of 18-20 tons of raw material per month. Raw Material is tested in laboratories and all the machines are seasoned for at least 6 to 8 months before they are put into production.

Daljit Exports –

machinedock by Daljit Group :-

Machinedock.com is the new brand name of Daljit Exports which was established in Year 2015. It is an Online Machinery Store which provides Quality Industrial Machines. It provides Best Possible Online price with Both Offline/Online Payment options. MachinDock.com is backed by over 49 years of manufacturing and exporting experience since the year 1968. It established itself as an extremely efficient, supplying and exporting platform.
